TOOLS REQUIRED:

- None

PRE-INSTALLATION WARNINGS, CAUTIONS, CRITICAL STEPS, and NOTES:

- None

INSTALLATION PROCEDURE:

- 1) Place the Family Travel Clean Up Kit in a safe location in the vehicle.
Suggested locations:
 - a) For vehicles with enclosed trunk, place the Family Travel Clean Up Kit in the trunk where space is available, under the trunk floor, in the door map pocket, or in the glove box.
 - b) For vehicles with open cargo area, place the Family Travel Clean Up Kit in a storage compartment, under the cargo floor, in the door map pocket, or in the glove box.
 - c) For trucks, place the Family Travel Clean Up Kit in the bin underneath the rear seat and secure with a net, in the door map pocket, or in the glove box.
 - d) For minivans, place the Family Travel Clean Up Kit inside the spare tire (Reference Owners Manual for spare tire location), under the cargo floor, in the door map pocket, or in the glove box.
