

## GENUINE PARTS

### INSTALLATION INSTRUCTIONS

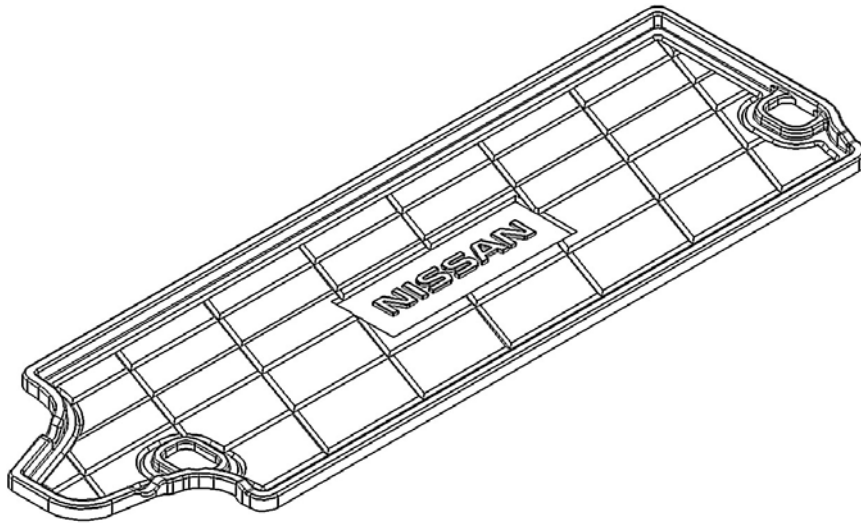

**1. DESCRIPTION:** Cargo Area Protector

**2. APPLICATION:** Pathfinder

**3. PART NUMBER:** 999C3 XR003 / 999C3 XU000

**4. KIT CONTENTS:**

Item	Qty	Description		
A	1	Cargo Area Protector		
B	1	Installation Instructions <a href="#">Replacement Template</a>		

**5. TOOLS REQUIRED:**

None.

**6. INSTALLATION PRECAUTIONS / NOTES:**

When first installed the cargo area protector may appear bent or curled up at the edges. This is temporary and your cargo area protector will lie flat within a few hours. (This may take longer in colder climates).

To maintain the luster of your cargo area organizer, clean with a cloth as required using standard automotive vinyl, leather and upholstery cleaners or soap and water.
